

# LET'S THINK - PSIR

# Rights are TRUMPS

Rights of Individual should be given preference over any other consideration

They are  
 ↓  
 entitlements    liberty    power    Immunity

## Negative Rights

- sphere where state is not permitted to enter
- sphere of freedom of an individual

## Positive Rights

- responsibility of State in securing rights of individual
- source of virtue to hinder hindrances

# 3 Generation of Rights

## ① Civil & Political rights

- liberties, Hannah Arendt's Civic participation
- John Locke - life, liberty, property

## ② Socio-Economic rights

- Marxist & Socialist Ideas
- Like Article 39 in India - Directive Principles of State Policy

## ③ Cultural-Developmental Rights

- Multicultural / Pluralistic rights
